

NOTICE

Horse Racing Alberta wish to advise all racing participants that the Learning Centre located at Northlands Park will close permanently on March 15th, 2017. In consultation and advice from industry partners, the needs of racing participants and the Learning Centre services do not have the same value or importance as in past years.

Further to that discussion with industry partners, backstretch services require modernization to meet the needs of current and future backstretch personnel. The position of Backstretch Manager is terminated as of March 31st, 2017. Conversations with all industry partners will occur over the next weeks and perhaps months to determine services required and how they will be delivered and by whom.

Owners and Trainers will assume the responsibility for their employees needs and when our Backstretch Coordinator can or should assist, that will occur.

All calls in the interim can be directed to the main switchboard and Horse Racing Alberta's offices by calling 780 415-5432.

Please contact Shirley McClellan, CEO. Telephone 780 916-7671, email: smcclellan@thehorses.com.

Or:

Jeff Robillard, Manager, Marketing, Broadcasting and Communications. Telephone 780 415-5284, email: jrobillard@thehorses.com

Issued March 1st, 2017
